RE: North Lily Project
DOE/023/014
Juab County, Utah

Dear Mr. Quigley:

The Division is in receipt of your Declaration of Exemption for the North Lily Project. As we discussed, the exemption is valid only for beginning construction of the mill-site area (less than two acres) due to potential weather constraints which could limit the construction season. It is not to be considered as an instrument to begin mining operations in advance of Division approval of the mining and reclamation plan. Your cooperation is greatly appreciated.

Sincerely,

JAMES W. SMITH, JR.
